A good deal of merchandice has been offered at auction of late and quite a quantity sold, both for rach and on credit. At some of the sales, however, sample lots only were disposed of. The feeling in the ancilus rooms may be rejected as "lugicoved," which is attributable to the approaching "essaon," and a few "outside" and country bayers having been present. The stock of all merchandise is, how ever, ample, and we note that three vessels from Europe are reported to be about salling, or as having vailed early in September, vir : the Nicoya, from London, consigned to J. T. Waterboure, the Garatung, from Newsattle upon Type, consigned to W. L. | Though the corriery of A. J. Cartweight Eng to whom we this market. are under many obligations for important matrix favors, we are highlighted for a list of the windows which are expected how Green, and a vessel from Bremen consigned, we understand, to E. P. Adams-all-baving considerable quartities of merchandise on board.

Sugar, in San Francisco, is in good demand at fair orange. It is produide that the first bound to San Francisco The Commercial Hirold, of the 29th ult., jusy to larger than is as imputed, information having been enys: "The market for Hawalian and other raws is merived by Mr. Cartwright from the Arcticala Sm. Francisco. but paorly supplied, stocks outside the Refineries | by lost mail, that the Senera would proceed to that port tobeing unusually light for the season. We quote send of coming here as Capt Kelley intended when leaving grocery grades from \$\frac{1}{3}\left(3)1\frac{1}{3}\tau\_{\text{c}}, with sales of \$1.500\$ in the Spring. Pall Fleet of 1871. kegs Hawaiian. The demand is active for low and high grades; the medium grades are more pleutiful Awadenka Norton Bapin Goo Howland, Knowles, ... 115 and less called for."

and less called for,"

Weed, Hirles, Tallow, and Goatskins are all high and in demand, so that a large proportion of our home productions are realizing well, which should have a salutary effect on our trade.

Notwithstanding the enhanced value of our pro-

Notwithstanding the enhanced value of our products, Exchange is not easy to precure, and 14 [3] successfully premium is asked for drafts at right on San Francisco, probably because the quantity of our immediately available exports is small. In view, however, of the early arrival of our whaling feet-small | Einsbeth Smill, Bliven 1 wh | Lagrate, Swith though it be-Exchange can not long be scarre.

Complaints are made that American gold is being shipped to China, leaving us short. As long, how- J D Thomas ever, as we have plenty of sliver left for a currency, pared to gold coin, the deficiency of gold will be to spring 1 wh north, ..... rather an inconvenience than a damage, and it seems insvitable that in a country where intrinsically different coins pass at the same rate, the tendency will be to lose the more valuable ones. Many countries, however, are content with a somewhat depreciated metallic currency, which then remains in the country, In this connection, Sovereigns are considered to be Mannahm, Briggs. valued, for currency purposes, ton low. They are well worth \$1.80, or even \$1.85, us currency, at which Lighty Norgan, Daxter here apring 300 since.

Take we should see more of them about, now that we have seemed them about, now that we have seemed them about, now that we have seemed them about the Australian Colonies.

The spirit Chief plant General Obligation of the plant of have steamer traffic with the Australian Colonies. We have seen passengers put their money back in their packets on being told what their sovereigns were San Francisco.

Interest on money in London has fallen to 2 per cent, per annum, and less, with increasing stocks of the article, and no outlet for it.

The steamer City of Adelaide is overdue from Sydmey; the steamer Nebraska will be due this week from Sydney and Auckland; the steamer Wooga Wonga will be due to-day or to-morrow from Ean by the North Pacific-Abadta, Tissue: Son Bevern, Wicks: Francisco, and the steamer Moses Taylor will be due 1 from the same port on Friday-so that we may have Light. Several others are to be fitted out. a lively steamer week, such as we had last month.

In addition to the reputation of the favorite packet.

D. C. Murray, by making another fine passage down of twelve days. The prospects appeared favorable nt one time of making it in eleven days, but menting with southerly winds on approaching the land one day was lost. The Murray brings a number of passengers, among whom are several of our returning residents. The trip over in twenty days is one the best that has been made during the same mer, and as the season is now approaching when southerly winds may be looked for occasionally, we expect to see the Marray reported over in steamer time. She was detained in San Francisco until the

3d Inst. In consequence of having two of her masts. which were unaound, taken out and new ones put Our sulling packets comprise three first-class vessels having passenger accommodations equal to any vessel of their class affuat, which, with the popular reputation of their commanders, proves a powerful opposition to the steamers.

We would call the attention of our readers to the sale of elegant and useful furniture, Chica and glass ware, to be held to-morrow by Mr. Bartow, at the residence of the French Compulssioner in Numbu Avenue. Among the articles to be disposed of is a parlor organ of great power and sweetness of tone, also a complete glass and China dinner set; the glass being from the celebrated Baccarat manufac tory, and the porcelain from the firm of Pillicuyt, who obtained the gold medal for the excellence of their manufactures at the Exhibition of 1867. There will also be sold an elegantly painted French dessert ect, some nice Strasburg porcelalo ware, a large varicty of silver plated articles, up lee-muchine of very simple construction, with which four pounds of lecan easily be made in three hours. This machine is peculiarly adapted to the use of gentlemen in the country and on the plantations, where at times human life may be saved by a timely supply of ice. Also a double-seated carriage, and a variety of other articles.
